

Online resources for PHS families and students.

Online Resources	
prosser.agilemind.com	
	Access to PHS math curriculum and practice problems.
Deltamath.com	
	Create an account, for free, and use the code 648608 to access information. Teachers have put practice problems for Pre-Algebra, Algebra 1, Geometry, Algebra 2, Pre-calculus, Calculus, and even Computer Science in case students just want practice with feedback and example problems to work on. These problems are not course specific
https://www.khanacademy.org/	
	Valuable website with learning opportunities in all core content areas as well as SAT prep.
http://www.ala.org/yalsa/booklistsawards/booklists	
	Book lists for young adult literature. Might be helpful in finding a title of interest.
https://www.weareteachers.com/student-writing-contests/	
	For you die hard writers. This list will not only help to keep you writing, but earn you some money in the process.
http://www.amazingeducationalresources.com/	
	Long list of compiled resources for students to use online. There are too many to summarize here. Check it out!
https://www.weareteachers.com/free-online-learning-resources/?utm_source=WAT_MDR&utm_medium=Enews&utm_campaign=WAT_CVEnews03142020	
	There will probably be some overlap here from the previous list. General free online educational sites.
